Dear Parent,

Clothes To Kids is very happy to offer this opportunity for community service to youth volunteers. Completing volunteer hours with clothes helps to fulfill our mission of providing clothing to low-income or in crisis school-age children, free of charge. The Clothes To Kids team has developed policies and procedures for our youth volunteers to ensure our mission runs smoothly. Although youth volunteers are advised of these procedures, we feel it is important to keep parents informed as well. The following list reviews our youth volunteer program policies:

- Youth volunteer work hours are Monday-Friday between 1:30-4:30 and select open Saturdays during the school year. For the months of June, July and August volunteer hours should be coordinated with a store of choice based on availability. Our staff leaves at 4:30 pm and will not leave youth unattended. Please ensure that you arrange with your child pickup protocols.
- Youth volunteers are **required to inform Clothes To Kids** if they are unable to work their shift for which they signed up. Twenty-four hour notice is greatly appreciated.
- Youth volunteers may call Clothes To Kids at any time to inquire about cancellations if they would like to volunteer and did not sign up in advance.
- **All** "Clothes Count" collection drives are to be coordinated with the development team prior to approval/confirmation of hours. (This volunteer opportunity is separate from volunteer hours conducted at stores, special events and school sponsored clothing drives.)
